

ELEMENTi

Superior Craftsmanship

The ELEMENTi range is a combination of imported contemporary products and New Zealand made furniture combining high quality components and materials with superior craftsmanship to produce crisp, cutting edge designs that are not only beautiful but built to last.

ELEMENTi has unique experience in the global market and is dedicated into building long term relationships with it's partners to improve design, quality and profitability.

The ELEMENTi brand includes: Basins, Furniture, Baths, Tapware, Showers, Shower Enclosures, Accessories and Kitchenware.

Finishes

Incorporating the latest trends from Bestwood, the sophisticated range of colours and wood grains delivers an authentic appeal with the Melamine board requiring no additional surface finishing. Bestwood are passionate about technology that successfully delivers tough, scratch-resistant and cost-effective options for a modern look that won't streak or craze. Bestwood manufactures its products predominantly from sustainably grown New Zealand plantation pine forests and is Environmental Choice Certified.

Drawers

A special feature of the new ELEMENTi range of vanities is the depth of the drawers being 176mm deep. ELEMENTi vanities also incorporate the German made Hettich Innotech Drawer System that features a Full Extension Drawer Slider. With a proud heritage in the industry for over 100 years, Hettich are well known for quality and innovative products. As a result of this all Hettich Hardware comes with a Lifetime Warranty.

Cabinets

Made from moisture resistant board, all ELEMENTi cabinets are designed to last, incorporating a ventilation gap to reduce the risk of moisture build up, as well as an extra thick 16mm cabinet back for extra strength. For durable edge finishing a PVC edge tape is also applied. Desire, Allure and Entice Gloss finishes have 1mm tape applied. All other finishes have 2mm tape applied. All wall cabinets also come with additional steel brackets for stronger fixing.
