

## It's a personal experience

VADO has built a proud reputation in exceeding customer expectations, and constantly striving to provide the marketplace with innovative and high quality products. Since 1988 VADO has continually evolved in designing and developing high quality bathroom products for the domestic and international markets.

## Quality and Production

VADO operates beyond ISO9001 strictness when it comes to production control with exacting tolerances and rigorous quality checks throughout the manufacturing and assembly procedure. VADO manufactures products utilising the latest technology for moulding, gravity casting, turning bar, stamping, machining, polishing, plating, assembly and water and pressure testing.

## Design

Our products range from traditional mixers, shower valves and accessories to contemporary designs including waterfall style spouts and handle options in different colours and materials.

## Queen's Award for Enterprise

VADO have been awarded the Queen's Award for Enterprise, the most prestigious official UK award that a business can receive. We gained this accolade in recognition of our continuous investment and growth in Export Markets
