

Introducing the Pristine Collection

Discover refreshing comfort and a feeling of clean like never before. Unlike other e-bidets in the market, Pristine features two separate nozzles that provide independent front and rear cleansing with five adjustable positions. These nozzles clean themselves before and after every use, and are protected by a cover that prevents waste from contaminating them for a reassuring feeling of clean.

You will also appreciate the antibacterial protection that is applied on the seat, cover, nozzles and control panel for a truly relaxing feeling of clean.
