PRODUCT FEATURE

INTERCHANGEABLE
WASTE CAPS

The Elementi Universal waste comes complete with Chrome cap. Interchangeable cap options are also available in Brushed Nickel, White or Black finishes.

Interchangeable waste cap to match bathroom elements.

TAPERED FLANGE

A tapered flange creates a better fit for ceramic basins.

H-LOCK SYSTEM

Using the appropriate Always Open lynchpin, it is possible to revert the waste from Click to Always Open, simply by replacing the two mechanisms.

WATERTIGHT GASKET

With the sealing membrane applied directly on the mechanism, the plug's cap becomes a decorative cover.

Clicker waste with screw system (from 0 to 63 mm).

Suitable for washbasin with and without overflow.
