

**DELICATE DESIGN
SUPER FINISH**
GROHE ESSENCE

Pure Freude
an Wasser

GROHE

The slim architectural shape of the GROHE Essence kitchen faucet is now enhanced with the innovative SuperSteel finish that complements stainless steel giving modern kitchens a well-coordinated appearance.

The solid metal spray head guarantees life-long performance and let's you switch easily between two spray patterns.

ROBERTSON.CO.NZ

A detailed advertisement for the Grohe Essence kitchen faucet. The main image shows a sleek, modern faucet with a curved spout and a single-lever handle, set against a blurred kitchen background. Text on the left highlights the 'DELICATE DESIGN SUPER FINISH' and 'GROHE ESSENCE' branding. A circular inset shows a close-up of the faucet's spray head being used to wash vegetables. The Grohe logo and slogan 'Pure Freude an Wasser' are in the top right. The Robertson logo and website are at the bottom right. A 'MADE IN GERMANY' badge is also present.

Ready, Set, Shower
Eliminating the chance of accidentally scolding yourself, the EasySet is a revolutionary tapware system ensuring the perfect shower every time. Preset functions allow users to set their preferred water source (handheld, overhead or body jets), temperature and water volume, all with the turn of a sleek dial. Once the settings are locked in, the sumptuous shower experience will remain the same every time.
www.robertson.co.nz

An advertisement for the American Standard EasySET shower tapware. The image shows a hand turning a large, cylindrical, textured dial on a square shower plate. The dial has a central button that is being pushed by another hand. The American Standard logo is visible on the shower plate. Text on the right describes the product as a revolutionary system for setting shower preferences like water source, temperature, and volume. The Robertson website is listed at the bottom.
