

CLOSER

A CHILD WHO DOES NOT PLAY IS NOT A CHILD, BUT THE MAN WHO DOES NOT PLAY HAS LOST FOREVER THE CHILD WHO LIVED IN HIM.
PABLO NERUDA

With an aesthetic of a lamp featuring the shower head as the shade, the Closer shower designed by Diego Grandi, breaks all design boundaries.

GROHE EUROSMART THE SMART DESIGN CHOICE

Eurosmart has more features than ever before. The easy exchange mousseur lets you install or remove it to clean limescale with just a coin. Separate inner water ways guarantee that the water inside the faucet never comes into contact with lead or nickel. You'll also find that our optional variant with SilkMove® ES cartridge supplies cold water only when the lever is in the central position, which saves energy because water is not heated unnecessarily. Add to that an integrated temperature limiter that can be individually set to your desired maximum temperature and you'll understand why Eurosmart puts unbeatable functionality in your hands.

LEAD AND NICKEL FREE SEPARATED INNER WATER WAYS

Isolated inner water ways guarantee water has no contact with lead or nickel.

EASY EXCHANGE MOUSSEUR

The mousseur is easy to install and de-install using just a coin.
