UNO

Modern yet timeless, the cylindrical forms of the UNO tapware collection has always been a hallmark of pure and modern design. The UNO collection has recently been upgraded with a wider choice. We have remained faithful to the original product philosophy of minimalist shape and purity of design. It is these cherished ideals that enables UNO to complement almost any bathroom or kitchen style.

BRAND INSIGHT
ZUCCHETTI. KOS

AN
 ORIGINAL
 POINT OF
 VIEW

Often referred to as the Lamborghini of bathroom fittings, Zucchetti has evolved from the core value of constant innovation established by grandfather Alfredo 85 years ago.

Simple but never ordinary. "The world of Zucchetti is tied to daily experience where quality, space and colours are special... a broad but selective vision of what is contemporary."

Designers such as Matteo Thun, Paulo Barbieri, Barbara Sordina, Roberto and Ludovica Palomba, and Antonio Rodriguez have built a starkly sleek collection of sculptured bathroom faucets, bathroom fixtures, bathroom accessories, and kitchen faucets.

"II CAPOMASTRO HA CONFUSO IL SOFFIONE CON UNA LAMPADA E L'HA INSTALLATO NEL POSTO SBAGLIATO..."

"THE MASTER BUILDER HAS CONFUSED THE SHOWER HEAD WITH A LAMP AND INSTALLED IT IN THE WRONG PLACE ..."

ELEGANT, YET
 SIMPLE SHAPES
 HAVE A PURIFYING
 CAPACITY.

ZUCCHETTI. KOS ALWAYS
 CREATE TRENDS, THEIR
 PRODUCTS FOSTER AN
 EVOLUTION IN LIFESTYLE,
 A NEW IMAGERY AND
 NEW WORLDS FOR
 HOME LIVING.

NOW AVAILABLE IN BLACK

S5

S5 accessories reflect a passion that goes beyond simply creating unique products for the bath resulting in products with personality that inspire feeling, thought, and a sense of playfulness.

Each black bathroom accessory is highly functional with a flair of dazzling design making them the ultimate must have accessories to keep up with the current trends.

Your bathroom is the place that sets the tone for the rest of your home, so it's not the place where you should take deco shortcuts. Black signifies sophistication, power, elegance and modernity so you can't go far wrong when introducing this colour into your bathroom's colour scheme.

**The cosmopolitan aesthetic of Lineare
is minimal yet highly inviting.**

In keeping with the concept of minimalism, Lineare has been reduced to only the necessary elements to achieve the thinnest possible appearance. The line is based on a composition of two simple geometric structures - cylindrical bodies and thin rectangular forms of the handle and spout create beautiful harmonious compositions.

MR & MRS WARD

BESPOKE FURNITURE
DESIGNED AND MADE
IN NEW ZEALAND

Mr & Mrs Ward is a bespoke furniture and cabinetry business started by the husband and wife team of Interior Architect and Designer Janice Kumar-Ward, and cabinet-maker Julian Ward. Mr & Mrs Ward offers unique New Zealand-made furniture, with a focus on functionality and effortless style.

The Mr & Mrs Ward furniture line combines Janice's contemporary aesthetic and innate understanding of design with Julian's love of innovation and practicality. A combination of minds that creates high quality, elegant and original furniture, using high end, environmentally certified materials, tailored to your needs.

Mr & Mrs Ward have recently partnered with Robertson Bathware to develop their bathroom furniture collection. "Working and researching together with people who live and breath bathrooms has ensured our products stand up to the challenges that a modern family or commercial bathroom environment dictate" explained Janice.
