

## **DURABILITY B2.3.1**

### **PERFORMANCE**

**B2.3.1 Building elements must, with only normal maintenance, continue to satisfy the performance requirements of this code for the lesser of the specified intended life of the building, if stated, or:**

**(c) 5 years if:**

- (i) The building elements (including services, linings, renewable protective coatings, and fixtures) are easy to access and replace, and**
- (ii) Failure of those building elements to comply with the building code would be easily detected during normal use of the building.**

**All Robertson products comply to the relevant durability clauses as laid out in our Warranty Information guide available to view on our website [www.Robertson.co.nz/warranties-and-care](http://www.Robertson.co.nz/warranties-and-care)**
