**NOTE:** THERMOSTATIC MIXER REQUIRED  
FOR ALL EASYSET CONFIGURATIONS

## Ultimate Comfort Maximum Safety

The EasySET thermostatic mixer provides a constant showering temperature, while the safety temperature control and auto shut-off function prevents accidental scalding should the cold water supply fail.

## Where Comfort Meets Convenience

Indulge in the ultimate showering experience that never forgets your preferred water source, temperature and volume of your perfect shower.

### **Tranquil Rain**

Soft, drizzling shower that is perfect for rinsing shampoo out.

### **Jet Rain**

Targeted jet spray that kneads tired muscles.

### **Therapy Rain**

Soothing vortex spray that gently relaxes the body.

## **RainClick** **Hand Piece**

Why should you fiddle with a hand piece just to get a desired spray preference? With RainClick, a simple click of a button allows you to easily choose from 3 spray modes (Tranquil Rain, Jet Rain or Therapy Rain) for an indulgent shower of your choice.

# Airnergize

## Overhead Shower

The elements of Air and Water are great gifts from nature. Though vastly different, the combination of the duo conjures a powerful world of emotion. And that is something we will like to bring to you in your private shower enclave.

Thanks to our thoughtful Airnergize Technology which infuses water droplets with air, you are wrapped in a full shower spray and still assured of lesser water usage.
