ROBERTSON BATHWARE

BORN FROM A MIX OF GLOBAL EXPERIENCE AND LOCAL KNOWLEDGE

For almost four decades, Robertson has been proudly New Zealand and family owned. Max and Debbie Robertson founded Robertson Bathware in 1987, and two generations have shaped the brand since then. Their son James leads our sales team, and their daughter Kirsten brings her eye for product design to the range.

Our furniture collection follows the same principles we started with. We create pieces that look beautiful and are simple and effective to use. We invest in our people, here in New Zealand and around the world. And we keep developing our technology and sustainable solutions, so every vanity, cabinet and mirror is built to last.

Every piece is developed for New Zealand homes, with inspiration from around the globe: the latest design direction from Cersaie in Bologna, technical innovation from ISH in Frankfurt, and the Kiwi ingenuity and craftsmanship we value here at home.

The result is bathroom furniture that combines style, storage and everyday function. It's backed by industry-leading service and design support, whether you're an architect, designer, builder or homeowner creating the perfect bathroom.

MAGLIA / CAPRI

Maglia and Capri, our premium bathroom furniture collections, designed to turn your bathroom into a stylish and comfortable space. Crafted in New Zealand from the finest materials, each piece brings together artistry and practicality, with beautiful design and exceptional craftsmanship. From sleek Quantum Quartz and Dekton benchtops to finely detailed drawers, these ranges bring a new level of luxury to your home. Every detail has been carefully considered for both beauty and convenience, from the refined hardware to the soft-close drawers. Together, these collections make every moment in the bathroom feel special.

CABINETS MANUFACTURED IN NEW ZEALAND

Elementi cabinets are manufactured in New Zealand, using high quality materials and superior craftsmanship.

OFFSET BOWL OPTION

The option of offset bowls provides plenty of additional bench space for the daily routines of personal care or simply additional touches of décor.

HANDLELESS DESIGN

Modern yet practical, these designer cabinets feature no handle. Instead, a clever finger recess allows easy opening whilst keeping clean lines and a modern style that will have everlasting appeal.

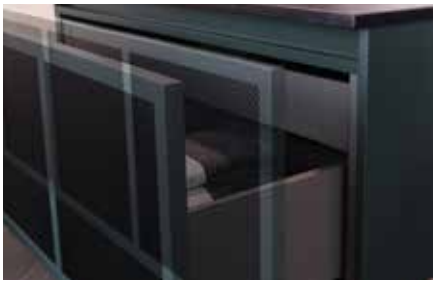

COSMETIC CONCEALED DRAWERS

Practicality is at the forefront with internal cosmetic drawers built into the cabinets, allowing tidy storage of your small and personal items.

SOFT CLOSE DRAWERS

All vanities incorporate premium soft close drawers on a silent slide system.

TIMBER VENEER

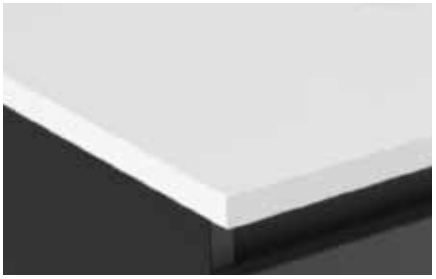

Finished in a high grade Timber Veneer, offering a beautifully unique finish with character, warmth and a touch of nature.

ELESTONE 12MM & 20MM TOP

EleStone is an Acrylic Premium Solid Surface providing a sleek modern appearance, a seamless surface coupled with non-porous and hygienic properties.

EleStone is drillable on site, allowing you flexibility of wall or deck mounted tapware.

QUANTUM QUARTZ 20MM

Premium Quantum Quartz tops in the iconic Alpine White and Leggero finishes designed for maximum beauty and a seamless flow.

Pre-drilled with 140mm waste hole for vessel basin. Designed for wall mounted tapware.

BLACK LAVA 12MM

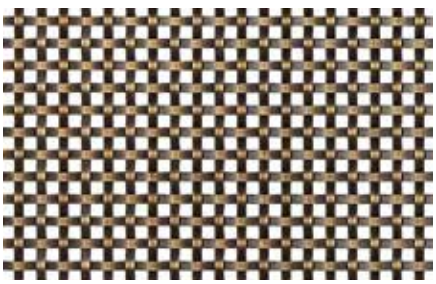

This alternative textured black top provides a visual sensation and the hint of greenish touches will bring realism and strength to the bathroom environment.

Pre-drilled with 140mm waste hole for vessel basin. Designed for wall mounted tapware.

WOVEN PANEL

A decorative woven wire mesh provides intricate design highlights that create an extraordinary and bespoke focal point on your bathroom furniture. Available with Maglia furniture only.

PAINTED FINISH

Paint finishes are applied in a purpose built spray booth. The result, a high quality, non-yellowing urethane (also known as a two-pack finish). Available with Maglia furniture only.

GUARANTEED QUALITY

Elementi Cabinets carry a 5 Year Guarantee. Quantum Quartz, Dekton and EleStone Tops carry a 10 Year Guarantee.

FEATURES

PETTINE / TELAIO

Bring depth and character to your bathroom with textured furniture that invites touch. Choose the gentle fluted pattern of Pettine for a soft, contemporary look, or the classic Shaker style of Telaio for timeless appeal. Both collections add personality and warmth to your space, bringing style and everyday function together beautifully.

CABINETRY MANUFACTURED IN NEW ZEALAND

Proudly made in New Zealand. Elementi cabinetry combines high-quality materials with expert craftsmanship to create beautiful bathroom furniture that's built to last.

ELESTONE FLAT TOP

EleStone is a premium acrylic solid surface with a sleek, modern finish and no visible joins. It's non-porous and hygienic, so it's simple to keep clean. Choose from 12mm or 20mm thicknesses to suit your design, from a slim, minimal profile to a more substantial statement.

ELECAST

Put your tapware exactly where you want it. EleCast tops can be drilled on site, so you can choose deck-mounted or wall-mounted tapware, positioned centrally or offset to the left or right.* Made from a PMMA (polymethyl methacrylate) solid surface designed for bathrooms and wet areas, EleCast is durable, non-porous and nontoxic, so it's easy to keep clean and built to last.

*Installers must allow room for tailpipes and hoses.

INTERNAL DRAWER FINISH

Coloured internal drawers take attention to detail that much further, giving you style inside and out.

SOFT CLOSE DRAWERS

All Pettine and Telaio vanities incorporate premium soft close drawers on a silent slide system.

MOISTURE RESISTANT CABINETS

Elementi vanities are made from a moisture resistant board with protective edge tape applied for improved durability.

OPTIONAL CONCEALED DRAWER

Keep the little things in their place. Our optional concealed inner drawer is perfect for makeup, razors and hair ties, and can be retrofitted to your existing vanity anytime.

Note: Not compatible with 440mm or 600mm versions, or with double-stacked drawer configurations.

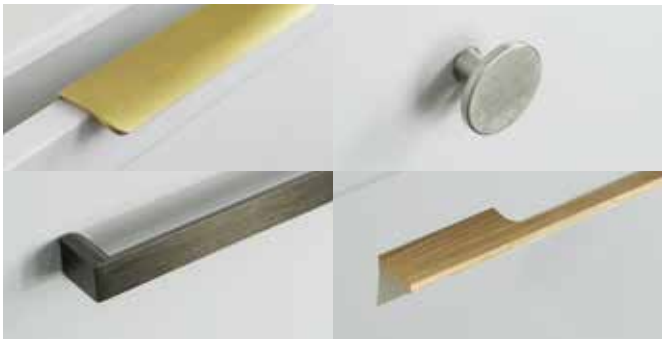

DURABLE THERMOFORM

Built for the bathroom, our Thermoform finish is seamless, durable and moisture resistant. A vinyl film is wrapped around the face and edges of each moisture-resistant HDF drawer front, creating a smooth surface that resists chipping far better than lacquer.

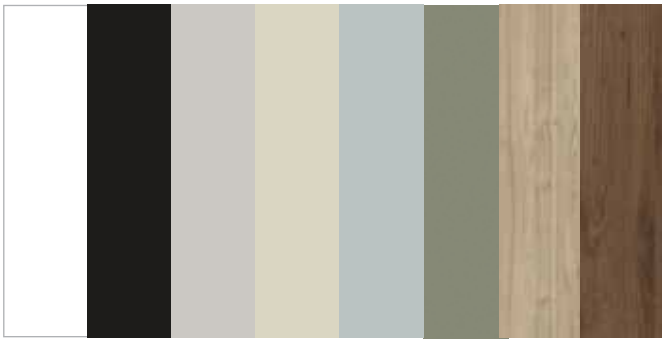

HANDLE OPTIONS

Telaio is available in multiple handle options with a modern profile handle, a classic D-handle, a minimalist round handle , provincial cup handles or timber handles. Pettine is available in the modern profile handle only. All handles come in multiple quality finishes.

FINISHES

Choose from a range of stylish finishes, from soft neutrals to natural wood grains. With smooth, seamless surfaces that are easy to clean, our Thermoform vanities can become a real point of difference or blend seamlessly into your bathroom.

VANITY PACKERS

A 16mm vanity packer is available in all Pettine/Telaio finishes as an additional extra designed to fit the gap beside the vanity and the wall when installed against a corner.

AVANTECH YOU

Terina Pro incorporates the state of the art Hettich AvanTech YOU system in all drawers. Offering exceptional design, functionality, adjustment and performance.

Avantech YOU only available with ‘Pro’ Cabinet.

AVANTECH YOU ILLUMINATION

A beautiful lighting system integrates elegantly into the drawer. Triggered by opening the drawer, a timer ensures power is not wasted and will automatically shut off after 30 seconds or by closing the drawer. Exceptionally long battery life with micro USB charger included.

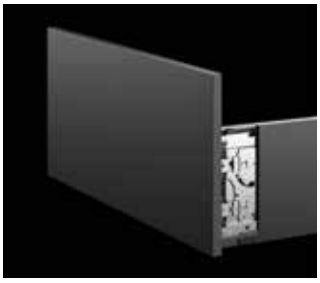

Avantech YOU Illumination only available with ‘Pro’ Cabinet.

DRAWER ADJUSTMENT

The Avantech YOU adjustment capabilities are second to none. Adjust vertically, laterally or tilt to obtain optimum alignment of your front panel. All whilst being cleverly hidden inside the stylish anthracite frame.

Avantech YOU Drawer adjustment only available with ‘Pro’ Cabinet.

STRUCTURAL STABILITY

Premium Quadro YOU runners are made from durable galvanised stainless steel and feature a robust 30kg drawer weight limit. Providing an exceptionally stable platform for larger drawers.

Quadro YOU runners only available with ‘Pro’ Cabinet.

INGENIOUS DESIGN

A meticulously crafted anthracite drawer conceals the drawer mechanism within a sleek 13mm housing. Offering full sides and an uninterrupted appearance enabled by invisible screws and fittings creating a modern foundation on which to build your space.

Avantech YOU only available with 'Pro' Cabinet.

SOFT CLOSE DRAWERS

All Pro and Lux Cabinets incorporate premium soft close drawers on a silent slide system.

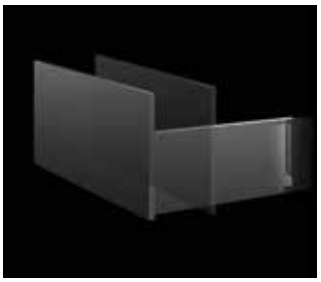

MOISTURE RESISTANT

Elementi vanities are made from a moisture resistant board with a ventilation gap incorporated to reduce the risk of moisture build-up. A protective edge tape is also applied for improved edge durability.

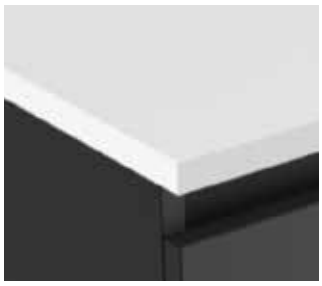

DURABLE ELESTONE FLAT TOP

EleStone is an Acrylic Premium Solid Surface providing a sleek modern appearance, a seamless surface coupled with non-porous and hygienic properties. Available in 12mm and 20mm thickness.

CABINETS MANUFACTURED IN NEW ZEALAND

Elementi cabinets are manufactured in New Zealand, using high quality materials combined with superior craftsmanship to produce innovative and beautiful bathroom furniture of the highest standard that will last for years to come.

MULTIPLE DESIGN AWARDS

Hettich AvanTech YOU has been recognised globally for exceptional innovation in design.

2021 Interzum Award
2021 Good Design Award
2022 Red Dot Design Award

Avantech YOU only available with 'Pro' Cabinet.

SILICA FREE

EleStone gives you the look of stone without the silica. Joiners and cabinetmakers can cut and install it safely, and homeowners get a top made with no risk to the people who built it.

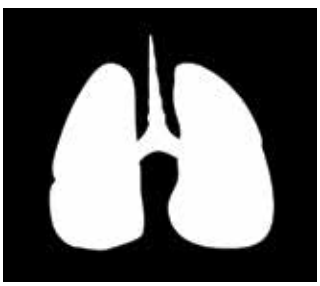

GUARANTEED QUALITY

Hettich offers a Lifetime guarantee on hardware*. Elementi Cabinets carry a 5 Year Guarantee. EleStone Tops carry a 10 Year Guarantee.

TRANSFORM YOUR BATHROOM INTO A SANCTUARY OF STYLE AND COMFORT WITH PARISI'S PREMIUM BATHROOM FURNITURE COLLECTION.

PARISI

PREMIUM

Riga 1400 Wall Vanity
Cabinet Finish: Black Walnut
Top Finish: White
Neo Basin Mixers
Finish: Chrome

PURE / RIGA / ARRIVO / LOOM / ABBRACCIO

Parisi furniture provides both optimum craftsmanship and luxurious design. The Pure Italian Carrara Marble top with black industrial style frame exhibits sophistication, while the EleStone bench tops are perfectly complemented by a choice of premium natural veneer joinery, or the unique hand carved black walnut texture of the Loom collection.

FINGER PULL DRAWERS

Soft-function drawers with finger pull drawer handles add sleek functionality while retaining the clean lines and minimalist aesthetic.

DRAWER ORGANISER

De-clutter your bathroom with built in drawer organisers. Finished in a dark beautiful wood, internal and external. Available in Abbraccio, Riga, Arrivo and Loom vanities.

ELESTONE FLAT TOP

EleStone is an Acrylic Premium Solid Surface providing a sleek modern appearance, a seamless surface coupled with non-porous and hygienic properties.

ITALIAN CARRARA MARBLE

Marble tops are famous for their unique natural beauty and provide an instant focal point in the bathroom. The finish is primarily white in colour with veins of black and grey amongst other subtle tones. Applies to Pure Vanity only.

MOISTURE RESISTANT MARINE PLY

Parisi cabinets are made from a premium moisture resistant multi-wood marine ply perfect for areas such as bathrooms with constant exposure to water.

ELESTONE INTEGRATED BASINS

The all in one option with sink integrated within the countertop and produced from the same material. Instead of the sink being an added element, it is built directly into the countertop.

CABINET FINISHES

Parisi offer unique finishes and textures to complement their designs with solid natural veneers, textured finishes or a harmonising white gloss finish.

ONE OF A KIND
NATURAL STONE

Marble is a natural material, so each vanity basin is one of a kind. Being a product of nature, Marble is prone to variations in colour, shade, texture, density, scratches and chips. It is these characteristics that actually add to the beauty and charm of the material.

SOLID MARBLE WASH BASIN

A stunning centre-piece for your bathroom, the Pure Frame cabinet has a solid marble wash basin which is perfectly complemented by the black industrial style metal frame and white multi-wood premium joinery cabinet.

HAND WOVEN WALNUT

Inspired by the process of weaving cloth, the Loom bathroom furniture range is handmade, with each piece hand-carved, sanded and polished. Every piece is inspected individually to ensure only quality Black Walnut is used and the grain is matched through the process to produce this unique piece of furniture. Also includes matching internal Black Walnut finish and drawer organisers.

FEATURES

CABINETRY MANUFACTURED IN NEW ZEALAND

Elementi cabinetry is manufactured in New Zealand, using high quality materials combined with superior craftsmanship to produce innovative and beautiful bathroom furniture of the highest standard that will last for years to come.

QUALITY DRAWER AND DOOR SYSTEMS

Elementi vanities incorporate quality drawer and door systems from renown brands including Hettich, Hafele and Titus, that are also backed by Lifetime Warranties.*

Extra deep 176mm drawers featuring full-extension drawer runners (not applicable for Verona), allow for easy access.

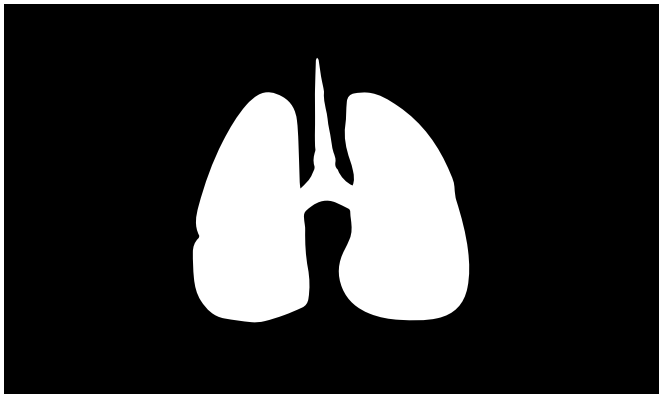

SILICA FREE

Elementi EleCast, EleStone, Vitreous China and Polymarble tops contain no crystalline silica. That means joiners and cabinetmakers can cut, fabricate and install them without the silica dust risks linked to engineered stone.

GUARANTEED QUALITY

Hettich offers a Lifetime guarantee on hardware. Elementi Cabinets, EleCast, Vitreous China and Polymarble Tops carry a 5 Year Guarantee and EleStone tops a 10 Year Guarantee.*

*Warranty excludes battery, lighting and electrical components. All guarantees are subject to terms and conditions and available on request or can be viewed at: www.robertson.co.nz/warranties

HANDLE OPTIONS

Available in multiple handle options with a classic D-handle, a minimalist round handle, provincial cup handles or timber handles. All handles come in multiple quality finishes.

A SIZE TO SUIT EVERY SPACE

As well as various styles and finishes, Elementi has a wide range of sizes in wall or floor configurations to suit your large or small space. More compact cabinets perfect for the guest bathroom through to his and hers double bowl cabinets, we have the solution to fit.

MOISTURE RESISTANT

Elementi vanities are made from a moisture resistant board with a ventilation gap incorporated to reduce the risk of moisture build-up. A protective edge tape is also applied for improved edge durability.

FEATURES

CABINET FINISHES

BESTWOOD

Incorporating the latest trends with a sophisticated range of colours and wood grains, Bestwood delivers a tough, scratch resistant surface for a modern look that won't streak or craze.

MELTECA

Creating the look and feel of natural wood, Seasoned Oak and Charred Oak features a textured finish. Bullet, Green Slate and Dawn Grey offer a stylish solid finish.

VANITY TOP OPTIONS

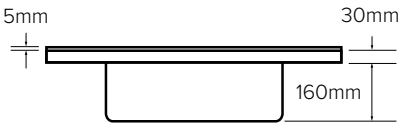

CURVED VITREOUS CHINA

A distinctive curved bowl profile results in a deep and generous basin. Vitreous china is a natural product, produced and hand finished from a fine clay that is then kiln fired and treated with a durable porcelain glaze.

SILICA FREE

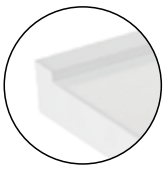

SQUARE POLYMARBLE

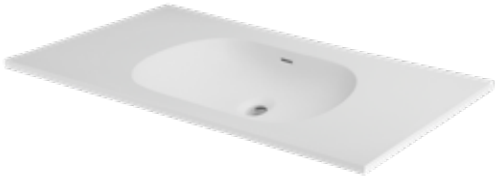

Being mechanically engineered from a mix of resin and marble powder, man-made Polymarble has a more precise, perfectly flat finish which makes it preferred for situations where tiles are placed up to the edge of the vanity top.

POLYMARBLE RAISED REAR PROFILE

A raised rear profile has been designed for additional waterproofing, as well as providing an ideal flat top surface for tiling up to.

SILICA FREE

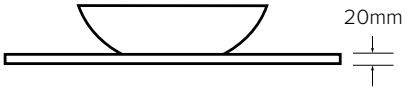

ELECAST

EleCast tops are a polymethyl methacrylate (PMMA) solid surface, offering a durable, nonporous, nontoxic environmentally friendly material made specially for bathrooms and wet areas. EleCast tops are drillable on site, giving you the choice of deck or wall mounted tapware along with position offset to the left or right.*

*Installer must allow room for tailpipes and hoses.

SQUARE POLYMARBLE

Being mechanically engineered from a mix of resin and marble powder, man-made Polymarble has a more precise, perfectly flat finish which makes it preferred for situations where tiles are placed up to the edge of the vanity top.

PERFECT FOR SMALLER SPACES

Today, living space is the ultimate luxury. And it's often in the bathroom that space becomes a real issue. In a small bathroom, the Studio Plus Slim vanity proves a real space saver. The shorter projection (370MM) of the vanity leaves a larger area in the middle of the room to turn around and use all the facilities with ease.

RAISED REAR PROFILE

The Polymarble basin features a raised rear profile designed for additional waterproofing, as well as providing an ideal flat top surface for tiling up to.
