CORNWALL PARK BISTRO / AUCKLAND

The bistro bathroom is inspired by Paul Izzard Design who always has an eye on the international market – making sure the best options for every client are made available. Izzard is the designer behind some of Auckland's most thriving inner-city fit-outs.

SOFITEL / WELLINGTON

Sofitel is a premium hotel brand for the French company Accor. The project was envisioned as a 5 Star Sofitel hotel and to this end the design had to reflect the brand parameters of Sofitel – French, classic with a sense of place and a link with France.

THE DYLAN APARTMENTS / AUCKLAND

Style, personality, and astute design. Enduring materials and great architecture. The Dylan apartments have it all, with a particular focus on the requirements of a discerning resident. Bathrooms are often utilitarian, and to rise above this fastidious attention to detail, like hand selecting the best fixtures and fittings, has ensured that a refined bathing experience can be celebrated. Bathroom fittings include beautiful ZUCCHETTI Pan tapware from Italy, which offset the simple black and white forms of tiles, vanities and basins for a striking effect.
