FE105-12-2 | 220-240V, 50/60Hz, 960W

Executive Summary:

The Elementi Fresca Bidet Seat, is compliant with the current Electrical Safety, EMC and Building Code Requirements for New Zealand.

Requirements:

Electrical Safety:

Bidets are an 'other' risk product in New Zealand and only require testing to the following standards:

Testing has been completed to the above standards.

Electromagnetic Compatibility: EMC

Bidets are an EMC emitting product and require EMC testing, the RCM mark, and the EMC SDoC.

EMC testing has been completed.

Water Mark: WELS

New Zealand Building Code accepts the usage of the Water Mark for Backflow protection under RN-10015: Water Supply – Backflow Prevention Devices.

The Certificate WMK26575 is suitable for use to show compliance for Backflow protection.
The Water Mark can be used on the product to indicate compliance.

RCM Mark
