INSTALLERS ARE NOW LIABLE

Plumbers need to know that under the Consumer Guarantees Act (CGA) they are responsible for any product they supply AND/OR install.

If a Homeowner supplies a product which you believe is not up to the job, **you must say so**. If a product or service, provided by you, fails any of the CGA guarantees, the Consumer can ask for the job to be fixed at no extra cost. If the repair takes more than a reasonable time to fix, the Consumer can arrange the repair and claim the cost from you, or cancel the job and refuse to pay for the work done. AND, if the work has caused other loss or damage, you may also be liable for consequential loss.
