Signature Collection™

Soft Geometric Simplicity

Born from a medley of geometrical shapes, pillowed surfaces and defined edges, the Signature™ collection is based on a Superellipse, a culmination of the American Standard Frame and Pillow signature elements, that translates elegantly into the thin edges and soft curves of the entire collection.

Soft Minimalism.

Experience the true engineering superiority of Signature™ collection. With smooth curved joints and seamless finishing, there is no compromise on design and functionality.

Pure Simplicity of Form.

The iconic geometrical shape translates elegantly into the soft curves of the Signature™ collection. This design is as much as a breakthrough as an engineering marvel when we materialize the curves into our collection with precision and durability.

Form and Function.

The Signature™ toilet embodies the essence of functionality and simplicity of form. Soft-touch push button, CrystaSleek toilet seat and cover for that sleek look. The HygieneClean system will keep your toilet safe, clean and stain-free with Double Vortex flushing, ComfortClean and Aqua Ceramic.

Basins

Signature Vessel Basin

L550 x W430 x H168mm / 1TH
43285.10

Signature Vessel Basin

L550 x W400 x H144mm / NTH
