

ELEMENTi®

SHOWER ENCLOSURES

ISSUE 3

PAGE 2-3

OUR STORY

As a NZ owned family business, our belief in delivering the best is proven by the fact that we have been supplying bathroom products for over 30 years.

PAGE 4-5

FEATURES

From the premium detailing to invisible fixings, design has been considered down to the very last detail.

PAGE 6-13

EVOLVE

Step into a new world of showering with the Evolve overheight enclosure. The European, minimalist design of Evolve features our new smooth flat profile tray with integrated square waste and premium fittings to provide a luxurious showering experience.

PAGE 14-23

TILED

Enjoy minimalist showering and transform your bathroom with a contemporary tiled finish.

PAGE 24-27

COMPONENTS

Elementi offers a complete range of shower components for spare parts or to help you design your custom showering experience.

THE PRACTICAL AND STYLISH SHOWERING SOLUTION

DESIGNED TO THE LAST DETAIL

From the first sketch to initial design concept to final production, quality is the key component, so that ultimately you get to share in our ethos by having your own quality experience when you use an Elementi shower enclosure.

Elementi shower enclosures are strong, durable and stylish. From the premium detailing to invisible fixings, design has been considered down to the very last detail. Our products are made from the highest quality materials, with added design features and installation benefits to make sure that once you have chosen your product, it is easy to install and reliable in its use.

100% NEW ZEALAND OWNED AND OPERATED

Elementi is Robertson Bathware's own unique brand. Born from decades of experience, and inspired by the latest international design trends, Elementi is a synthesis of innovation and style.

Proud of our independence, family origins and values, Robertson Bathware focus on quality and innovation to deliver a range of superior solutions, proven by the fact that we have been supplying bathroom products including shower enclosures for over 30 years, with thousands of Kiwi's enjoying our quality products day after day, shower after shower.

THE RIGHT ENCLOSURE TO SUIT YOUR SITUATION

Within our ranges we have a number of sizes in a square or rounded profile to suit your space, pivot or roller doors for easy access as well as corner or centre waste options to fit your plumbing requirements.

DOOR OPTIONS

PIVOT HINGED DOOR

These doors swing open to offer wide access, which combined with a side panel creates a light and airy showering area.

ROLLER SLIDING DOORS

Roller doors glide smoothly out of the way offering maximum access where there is limited space to open a door.

Note: Doors can be fitted to open from either left or right.

A QUALITY PRODUCT

10 YEAR
GUARANTEE*

EASY CLEAN PERMANENT PROTECTION WITH NANO GLASS TECHNOLOGY

All of our showers come with Nano glass protection using advanced Nano technology to create a non-stick surface. This award winning technology makes glass easier to clean and resists staining and discolouration and build-up of unsightly limescale and soap deposits.

Totally clear, UV stable and extremely durable, Nano glass won't peel or flake and unlike some other systems you don't need any specialist cleaners to maintain its dirt repellent properties. We recommend you use warm soapy water then dry using a squeegee for best results.

SAFETY SHOWER GLASS

To ensure ultimate safety, all Elementi shower enclosures are fitted with toughened 6mm safety glass doors to AS/NZS 2208 standard.

VERSATILE LEFT OR RIGHT DOOR OPENING

To match your room design our doors can be fitted to open from either the left or right to suit your space.

SMOOTH STAINLESS STEEL DOOR ROLLERS

Smooth running lockable stainless steel double top rollers and spring-loaded double bottom rollers provide effortless performance. Removable rollers and door seals also allow for easy cleaning.

Black door rollers are available on black framed showers.

SIMPLE INSTALLATION WITH PATENTED QUICK FIX ADJUSTMENT SYSTEM

Our patented locking technology eliminates the need for drilling holes and using fixing screws to hold the shower door to the wall profiles. With a simple push of the lever your Elementi shower is locked and fitted into place, with easy adjustment if required for uneven walls. This patented design will save you time and money.

WEIGHT TESTED REINFORCED TRAY WITH REAR UPSTAND AND FRONT SAFETY LIP

Elementi trays are manufactured from one piece of superior sanitary grade acrylic. Our trays are then reinforced with timber and fibreglass which allows us to give the trays a commercial weight rating of 200kg.

Additionally our industry leading 40mm upstand requires no rebating into the wall frame when using 10mm plaster board and the 40mm upstand gives our installers great piece of mind.

Lastly our 65mm low profile trays allow for easy access into the shower.

EASILY REMOVEABLE SEALS

High quality shower seal strips are easily removeable for cleaning or replacement.

Seals also available in black on black framed showers.

EUROPEAN ACRYLIC LINER

Made in Europe and sold in over 40 countries for over 50 years, Athlone Liner Spec acrylic has stood the test of time. Unlike cheap wall liners, this European Sanitary Grade Capped ABS Acrylic is more stable, high gloss, impact, scratch and stain resistant and has excellent moulding capabilities. Manufactured to European Standard: EN13559:2003 linerspec.co.nz

The liner is available in either a Flat Wall or a Moulded Wall option.

A TALLER SUPERIOR DOOR

Having a 1950mm high door is more user friendly for taller people and allows a higher position for the shower rose. Doors are also fitted with large dual sided chrome handles.

All Elementi shower liners are also extended height.

PEACE OF MIND

As you would expect from Elementi, our shower enclosures exceed all safety, functionality and performance tests within current New Zealand Standards. All enclosures are backed up by a 10 year guarantee for added peace of mind.

10 YEAR GUARANTEE*

EVOLVE

PREMIUM SHOWER ENCLOSURES

STEP INTO A NEW WORLD OF SHOWERING WITH THE EVOLVE OVERHEIGHT ENCLOSURE. THE EUROPEAN, MINIMALIST DESIGN OF EVOLVE FEATURES OUR NEW SMOOTH FLAT PROFILE TRAY WITH INTEGRATED SQUARE WASTE AND PREMIUM FITTINGS TO PROVIDE A LUXURIOUS SHOWERING EXPERIENCE.

OUR GUARANTEES

As you would expect from Elementi, all shower enclosures exceed all safety, functionality and performance tests within current New Zealand Standards. All enclosures are backed up by a 10 year guarantee for added peace of mind.

WITHOUT EXCEPTION ROBERTSON PRODUCTS ARE GUARANTEED TO MEET OR EXCEED THE STANDARD REQUIREMENTS FOR THE NEW ZEALAND BUILDING CODE.

In addition to specific guarantees provided, all products imported and or sold by Robertson are, to the extent applicable, guaranteed in accordance with the Durability Clauses of the New Zealand Building regulations and Consumer Guarantees Act.

Our guarantees apply only to products imported and sold by Robertson. These guarantees do not cover products sold by Robertson under any other agency, company or brand name. As part of our ongoing commitment to continuous improvement, Robertson NZ Ltd reserves the right to make changes to its products at any time.

All guarantees are subject to the following terms and conditions and to the Robertson NZ Ltd Terms of Trade available on request. A copy of which can also be found at ROBERTSON.CO.NZ.

The guarantee is against manufacturing defects only.

All products must be checked to see they are in good order and condition prior to installation.

This guarantee does not cover products that have been damaged by misuse, accident or neglect.

This guarantee may not cover the cost of removal or installation.

This guarantee is applicable to shower enclosures installed in domestic residential situations and or light commercial situations such as bathrooms in motels, hotels and retirement villages.

This guarantee does not include commercial situations such as public washrooms and or kitchens and laundries in public buildings, schools, sports centres, gymnasiums and hospitals.

This guarantee does not cover normal wear and tear.

The use of some cleaning products will void the guarantee. Refer to our product care guide that can be downloaded from our website.

This warranty is personal to the first end user and is not transferable unless stated.

Each and every warranty claim must be accompanied by the original proof of purchase.

Products must have been installed in accordance with the manufactures instructions and in accordance with local City or Council Standards requirements.

Products must have been cleaned as per manufacturer's recommendations. A copy of our Product Care Guide can be downloaded from our website.

Products must have been maintained in good order and condition and serviced in accordance with manufacturers' recommendations.

Robertson reserves the right to determine any issue or uncertainty in connection with the warranty.

Robertson reserves the right to repair and or replace the defective product and or component at its discretion or nearest equivalent if a product needs to be replaced.

All Warranty covered repair work is to be performed by a Robertson representative and or authorised service agent or plumber who has received an authorisation number to attend the job.

This guarantee does not purport to exclude or limit your rights under the Consumer Guarantees Act which will not apply to consumers acquiring goods other than "in trade". If you acquired the products "in trade" you agree that the Consumer Guarantees Act does not apply.

SPECIFIC GUARANTEE DETAILS

Unless otherwise stated guarantees for products imported and sold by Robertson are as follows.

1 YEAR GUARANTEE

- Shower enclosure seals and drip strips

5 YEAR GUARANTEE

- Shower enclosure black coloured doors and returns

10 YEAR GUARANTEE

- Shower enclosure acrylic liners
- Shower enclosure trays
- Shower enclosure chrome doors and returns
- Shower enclosure stainless steel rollers
- Shower enclosure hinges and handles

CLEANING AND MAINTENANCE

SHOWER TRAYS & WALL LINERS

When cleaning acrylic surfaces always use non abrasive cleaners then rinse off with water. (Cleaners with peroxide and ammonia can be very harmful to acrylics)

We recommend drying the surfaces after cleaning to prevent further build up of soap and grime.

GLASS

Whilst our Nano shield glass protection will make it easier to clean and resist staining it does not eliminate build up of slime and soap deposits. Glass will stain by allowing water to remain on the surface or by not cleaning. Regular maintenance will prevent this by using a glass cleaner, rinsing off with water and drying glass panels.
