HYPERJET FLUSHING SYSTEM

Rimless flushing projects a jet of water rather than the traditional flushing mechanism where water pours down the rim. Through the powerful delivery of water maximum cleaning is achieved.

HYGIENIC RIMLESS DESIGN

There are no hard to reach areas with the new rimless design allowing easy cleaning with a single wipe.

ELEMENTI®

Elementi is Robertson Bathware's own unique brand. Born from decades of experience, and inspired by the latest international design trends, Elementi is a synthesis of innovation and style.
