### NZ House & Garden | Vado Notion / Bagno Design Zen

### NZ House & Garden | Product Feature | Vado Elements

#### **A** IN THE ELEMENTS

The Vado Elements Water collection offers five striking finishes, bringing you personalisation and individualism and allowing you to express your own taste and vision. Each piece is finished by hand, making every item unique, allowing you to indulge in a bathing space that is especially tailored to you. For more information see www.robertson.co.nz
