BRUSHED STAINLESS STEEL

Since Zucchetti's iconic first collaboration with Studio Nizzoli, it has never stopped experimenting with the form and technology of the tap. 2021 marks the return to a polyphonic language, welcoming the gaze and touch of new designers.

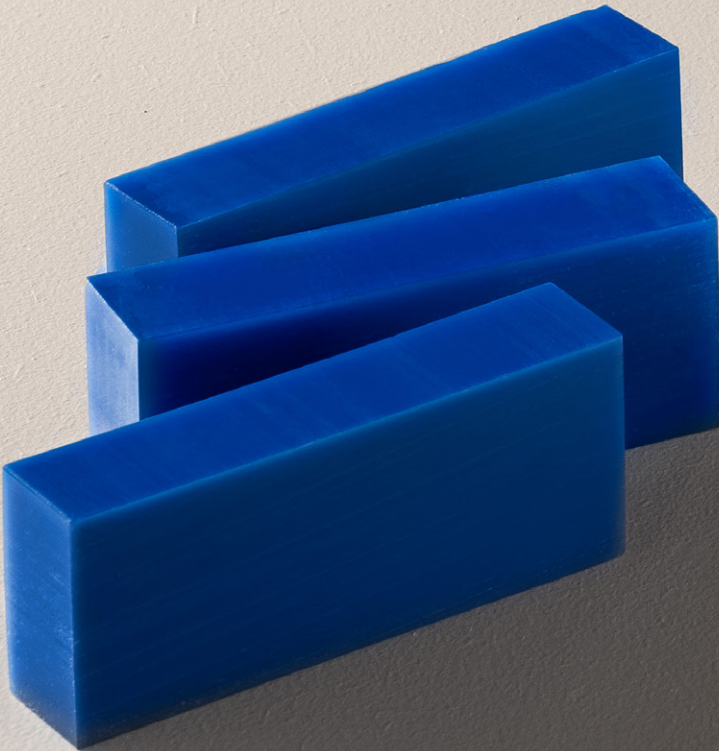

Architect David Lopez Quincoces uses a holistic approach to shape a line of taps designed to work in projects of many different typologies and natures: Helm, essential and iconic at once, reinterprets the cross handle tap through a fascinating decomposition and recomposition of cylindrical volumes, inaugurating Zucchetti's first all-stainless-steel adventure.

Available in 5 finishes.

ZUCCHETTI.

BRUSHED COPPER PVD (XP91)

THE INTRODUCTION OF TEXTURES, GROOVES AND KNURLS THAT ENRICH THE AESTHETICS OF THE PRODUCT, LEAD TO A LANGUAGE THAT MOVES BETWEEN THE WORLD OF ENGINEERING AND JEWELLERY, MAKING THE PRODUCT PRECIOUS AND TECHNICAL AT THE SAME TIME.

COMING SOON

MERIBEL

TURN ORDINARY  
INTO EXTRAORDINARY

*Meribel tiled freestanding basins are produced by adhering Italian porcelain tiles to a glass fibre reinforced board resulting in a very smooth and hard wearing quality finish. The Meribel collection is available in a wide range of natural finishes to suit your decor.*
