“

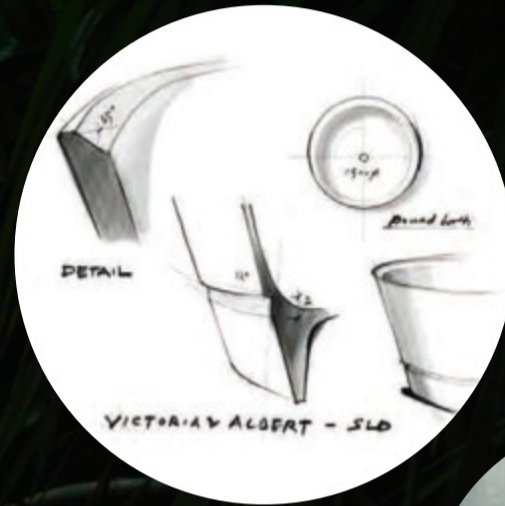

BATHING IS A RELAXING EXPERIENCE, REINVIGORATING THE BODY AND MIND. DAILY LIFE IS INCREASINGLY INTENSE; THIS MOMENT OF TRANQUILLITY IS A PRECIOUS INDULGENCE. I WANTED TO CREATE AN ICONIC BATH THAT DRAWS A CONNECTION BETWEEN EAST AND WEST, REFERENCING THE PAST WITH A VIEW TO THE FUTURE.”

TAIZU COMING FULL CIRCLE

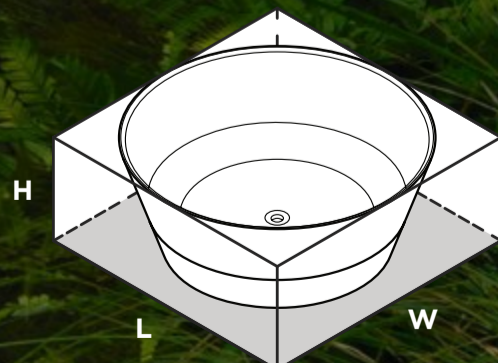

Taizu is Victoria + Alberts first collaboration with renowned Hong Kong based designer Steve Leung, who is known for using Asian influences in his designs.

The opulent circular bath has been inspired by the fine porcelain designs of the Song Dynasty. The gently sloping sides are softened by a chamfered edge and sculpted detail at the base. With a diameter of 1500mm and cast in Victoria + Alberts signature Quarrycast™ material, Taizu is a spa-style centrepiece that is at home in the most luxurious bathrooms.

Brim

Reassuring and essential, the award-winning Brim collection stands out for its compact design that uses a single lexicon to elaborate two different shapes, the circle and the square. Designed by Ludovica+Roberto Palomba Brim is the synthesis of an industrial design project that began with the Soft mixer and has evolved according to ever-modern canons, managing to tune opposing geometrics to achieve perfect shapes.

FUORI SCALA

Thanks to a very thin rim, the Fuori Scala basins can be installed as vessel basins - emulating a cooking pot - or as inset basins in line with the top of bathroom furniture where the evident thin rim is accentuated; or mounted on dedicated metal structures.
