COME AND GET INSPIRED...

NEW IN TOWN!

Wellington we are here for you! Nestled upstairs on Marion St just down from the Design School, our new specification space shows off a wide range of Robertson product including Zucchetti, American Standard, Grohe, Parisi and Victoria + Albert baths. A full time showroom consultant is on hand to assist, advise and guide you through all product queries and help you through the bathroom specification process.

Timeless Furniture

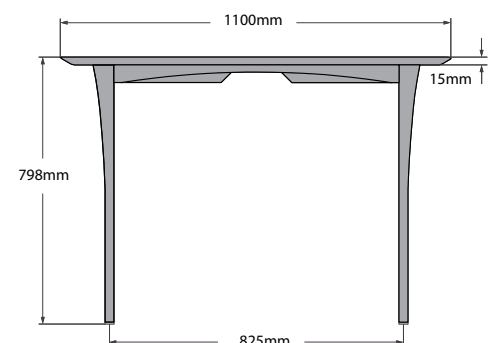

Harnessing their passion for innovation, Victoria + Albert's premium bathroom furniture is the latest addition to their bath and tapware ranges. Inspired by leading international designers, each piece is made in England using traditional artisanal techniques using FSC-certified hardwoods. The 'Glass' option also features a highly engineered one-piece glass top which provides the perfect surface for a countertop basin.

STILETTO 110

Design: London-based Brigid Strevens

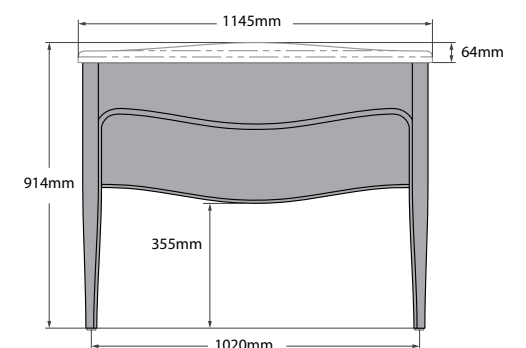

The Stiletto 110 is a striking modern countertop vanity unit that features elegantly shaped legs.

MANDELLO 114 VOLO

Design: Meneghello Paoletti Associati

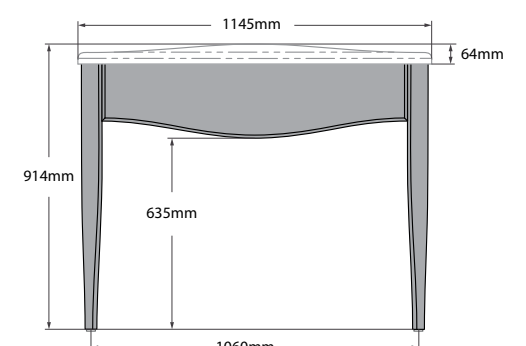

The Mandello 114 combines generous storage in solid cherry and beech wood with our own cutting edge composite material, Quarrycast®.

LAVELLO 114 VOLO

Design: Meneghello Paoletti Associati

The stylish Lavello 114 vanity embodies a fusion of sleek Italian design with British manufacturing techniques. Featuring smart, clean lines the Lavello 114 adds long lasting elegance to your bathroom aesthetic.

CERSAIE

BOLOGNA - ITALY

Held in September this year was the annual trade fair of ceramic tile and bathroom furnishings in Bologna, Italy. We couldn't go (sadly) and we are guessing many of you couldn't either, so see a hint of what was showcased here. 2016 is all about the colour, monochrome is out and many shades are in. Zucchetti has featured their quirky Closer shower head, and the world's best vitreous china manufacturers Art Ceram and Hidra featured thin rims and splashes of shine and matt pastels.

PROJECT FEATURE

CORNWALL PARK BISTRO

Interior Design:
Paul Izzard Design

IZZARD

Izzard is the designer behind some of Auckland's most thriving inner-city fit-outs, namely Ponsonby Central's The Blue Breeze Inn and contemporary Italian eatery, Baduzzi, located in Auckland's trendy Wynyard Quarter.

From Interiors to Web design, Paul Izzard Design has an eye on the international market – making sure the best options for every client are made available. PID's multi talented crew led by Director, Paul Izzard, love what they do and take pride in the all projects they work on. Paul Izzard has international experience of over 20 years in the Design Industry, which has led PID to the top of the New Zealand industry. He was also a judge on The Block 2016.

GROHE ESSENCE

Pure Freude an Wasser

Delicate design, powerful features

A distinctive, delicate body conceals advanced technology in the new Essence faucet. The cylindrical body is super-slim, thanks to a new small cartridge, offering pure elegance without compromise. A solid metal spray head guarantees life-long performance, and you can switch easily between two spray patterns with a toggle function that puts flexibility to the fore.

Find our full range online at ROBERTSON.CO.NZ

With the ever-increasing trend of working on the run, the Robertson mobile friendly website provides a wealth of information, just a click away!

Start your journey by browsing through Brand or Product group to find what you are looking for, right down to all current specifications, installation info and product finishes.

If you have an idea of what you are looking for, simply start typing the name of the product you are after and our suggestive search will do the rest.

Once you have found what you're looking for simply save your product choices to 'My List' which can then be printed or emailed.

Request our latest brochures...

Issue 18 of our latest IDEAS brochure is a treasure trove of innovative product and great design, while our GROHE brochure features the finest tapware from the masters of design and technology. Request your FREE copies now!
