## Ion/Neo bath Column W/Hand Piece

### GUARANTEES

Robertson offers 5 years guarantee on ceramic cartridges and other material excluding washers, o-rings and other perishable components.

Where the product fails within the warranty period we offer a free replacement or replacement part (or nearest equivalent) or to repair the failed product. This guarantee is transferable – it applies to the product not the purchaser provided proof or purchase details are passed on to the new owner. This guarantee does not affect your statutory rights. Products must be installed, used and cared for in line with product guidelines, our fixing instructions and building regulations. In addition to specific guarantees provided, all products imported and sold by Robertson are, to the extent applicable and guaranteed in accordance with the durability clauses of the New Zealand Building regulations and the Consumer Guarantees Act. Some product warranties may be effected by misuse or local conditions eg. Adverse cleaning products. The warranty and guarantees given by Robertson may be void where repair work is carried out by persons not specifically authorised to carry out such work by Robertson. The above guarantees apply only to products imported and sold by Robertson. These guarantees do not cover products sold by Robertson under any other agency company or brand name.

### IMPORTANT:

**Products must be inspected prior to installation.** Please ensure that all products purchased from Robertson are inspected prior to installation. Any suspected defect in a product must be notified to Robertson as soon as possible after discovery. Should any defects be found do not install. Return the product to the point of purchase for a replacement. If a product is installed despite a fault having been identified prior to installation, Robertson will not accept any liability for the cost of the labour to remove and install any replacement product.

### INSTALLATION

#### Important Note

Mixer must be installed to the requirements of AZ/NZS 3500. Your mixer comes to you already factory assembled and tested. We do not recommend the dismantling of any internal part of the mixer. The mixers are factory tested and sealed so as to give the best performance.

- Please ensure pipework is clear of debris by flushing the lines prior to commencing the installation of the mixer.
- Mains Pressure Equal - recommend connection to hot/cold isolation valves, test operation.

**TO THE INSTALLER:**  
**TWISTING OR STRETCHING OF FLEXIBLE HOSES DURING INSTALLATION MAY RESULT IN FAILURE AND VOID WARRANTY ISOLATE MIXER BEFORE HYDROSTATIC TEST, FAILURE TO COMPLY WILL VOID WARRANTY. HOSES ARE PERMANENTLY FIXED TO THE BODY.**
