The Adjustable Pivot Shower Door 900/1000mm is the perfect choice for style and versatility in the bathroom. Whether you are refitting your current bathroom or building a new bathroom, this door boasts an excellent 870-1010mm adjustment range that will fit perfectly into your shower aperture. Choose stylish chrome or statement black finishes to make your style shine.

Ideal for residential and light commercial use, this shower door will fit any setting, be it a home or hotel, motel, or retirement community. The adjustable track is simple to install and can be fitted to custom specifications, with you having complete control over your bathroom's appearance.

With the best-of-the-best plating, Adjustable Pivot Shower Door has an impeccable finish that ensures durability and longevity. With the NANO technology (ClearShield) glass coating, maintenance is reduced as it resists staining and discoloration and is easy to clean. Not only will this new coating make the product appear better, but it will also keep your shower door in top condition for years to come.

For additional assurance of your safety, the material for the door made of safety glass is AS NZS 2208 standard-tested, so you can be sure. The door has a 10-year warranty (chrome) and a 5-year warranty (black finish) so you can enjoy its performance and durability for years to come.

Upgrade your bathroom with a modern, functional, and long-lasting appearance using the Adjustable Pivot Shower Door.
