The Elementi Tiled Shower is designed to bring elegance and functionality to your bathroom with its high-tech features and high-quality construction. Coming in a dimension of 1200 x 900, the enclosure offers spacious room while maintaining sleekness and style, complete with a chrome frame and sliding glass door for smooth, easy operation.

Crafted with superior craftsmanship, the Elementi Tiled Shower features superior materials and parts to deliver a long-lasting, durable shower enclosure. The 40mm rear upstand and interlocking side channels are constructed to retain water within the tray, meaning leaks are impossible. Furthermore, the 5mm safety lip on the front of the tray provides extra silicone surface area to prevent leakage under the door or extrusion.

For easy cleaning and upkeep, the Nano glass (ClearShield) is also equipped with the most up-to-date NANO technology, which creates a non-stick discoloration- and stain-resistant surface that makes it easy to keep your shower in a clean state. The rollers and removable door seals contribute to easy cleaning.

AS NZS 2208 tested for safety standards, this shower enclosure is stress-free to own with its solid safety glass. It has also been weight-tested to 200kg to provide reassurance it will cope well with regular usage.

Elementi Tiled Shower is ideal for home and light commercial use and perfect for bathroom facilities in the home, hotels, motels, and retirement villages. It has a 10-year guarantee (terms and conditions apply), providing the best of appearance, performance, and longevity for an enhanced bathroom experience.
