The LSPEC CC Back To Wall Toilet Suite features a sleek, contemporary look with functional efficiency and is an ideal addition to modern bathrooms. Featuring both top and bottom inlet options, the toilet suite is simple to install in most bathroom configurations, offering a convenient and stylish addition to any room.

Constructed from top-grade vitreous china, the LSPEC toilet suite is strong and tough, with prolonged performance. With its rimless construction, the toilet is also hygienic, with nowhere for dirt and grime to hide, therefore easy and more efficient to clean. The 4 Star WELS rating attests to the water efficiency of the toilet, with a full flush of 4.5L and a half flush of 3L, without losing any performance as you save water.

With its softly closing seat, the LSPEC toilet suite guarantees a silent, smooth close every time, never able to slam. Not just practical, the toilet suite also looks great and will fit discreetly into even the most humble bathroom design in a domestic setting or light commercial application.

With a 1-year guarantee on parts and high-quality glaze finish, this toilet suite is designed to provide high durability and maintenance-free operation, perfect for both domestic properties and business units, including hotels, motels, and retirement villages. Whether it's an existing bathroom refurbishment or a new project, the LSPEC CC Back To Wall Toilet Suite offers precisely the right combination of style, comfort, and functionality.
