The UNO CC Back To Wall Toilet Suite strikes a perfect balance between contemporary styling and cutting-edge high-tech functionality and is a breathtaking fixture for any bathroom. Its low-profile lines and small footprint with a compact profile mean that it will be easily fitted into any contemporary bathroom space, from domestic to commercial environments such as hotels and motels.

Made of high-quality vitreous china, the UNO toilet suite is tough and low-maintenance, capable of delivering long-term performance. The rimless toilet not only makes the toilet appear sleeker and more modern but also helps improve hygiene. Without any crevices or hard-to-clean surfaces, the toilet is a snap to clean, eliminating bacteria and grime accumulation.

A 4 Star WELS rating has been attained on this toilet suite, which conserves water by using only 4.5L per full flush and 3L per half flush, yet still delivers a great flush. The soft close seat adds further convenience in the form of less slamming of the seat, along with a quieter bathroom.

UNO CC Back To Wall Toilet Suite is suitable for both bottom inlet and top inlet types, thus convenient for different installation needs. It's the ideal choice for any bathroom of today, be it a new home renovation or a new office building complex. Enjoying the benefit of a 1-year warranty on seat and cistern components, the toilet suite provides reliability and safety, style, efficiency, and convenience.
