Elementi Bianca CC BTW Toilet Suite elegantly blends classic style and unobtrusive functionality and is therefore the perfect addition to residential and light commercial bathrooms. Top and Bottom Inlet versions are both available, offering flexibility in the form of being able to accommodate a wide variety of applications. Whether you are renovating your home bathroom or outfitting a commercial building such as a hotel, motel, or retirement village, the Bianca CC BTW Toilet Suite offers a modern and fashionable solution.

This 4-Star WELS rated toilet is eco-friendly and water-conserving. The toilet comes equipped with a 4.5-litre full flush and a 3-litre half flush, combining power and conservation within one fixture. The rimless hygienic design is hygienic to clean and promotes a cleaner surroundings by eliminating the difficult-to-clean areas where dirt and bacteria form.

The Elementi Bianca CC Toilet Suite is made to last and with functionality. The toilet seat and cistern components are offered with a 1-year warranty, and it also provides a 5-year warranty for guarantee. The suite is also easy in set-up configurations with S-Pan and P-Pan options to enable a perfect fit for your area.

Whether it's for a trendy residential bathroom or heavy-use commercial environment, the Elementi Bianca Toilet Suite works efficiently, functionally, and is designed to meet your requirements.
