Gio by Hidra, handfinished in Italy, this collection features elegance and simplicity. The Gio Evolution Inset Basin has a balance of curves and straight lines that offers a harmonious blend of softness and roundness.

Features:

- **Innovative Design:** The Gio Evolution Inset Basin features non-trivial use of curves and straight lines, so to a good balance of softness and roundness. The upper sides are large and smooth whilst the lower sides are narrow and tapered, offering a contrast between the two elements.
- **Versatile Placement:** Thanks to its elegant simplicity, the Gio Evolution Inset Basin is suitable for all types of bathrooms, whether that be modern or traditional.
- **Handcrafted Excellence:** Hand-finished in Italy, each piece in the Gio collection embodies superior Italian craftsmanship and attention to detail.
- **Durable Construction:** Made from Vitreous China, the Gio Evolution Inset Basin is built to last, backed by a 5-year guarantee.
