Prefinished Material

Elementi 1500 Mirror Cabinet is the best integration of functionality, style, and durability. It is made with high-quality material and thoughtfully designed with fine details. It offers a rich design with enhanced storage space in your bathroom. Available in multiple finishes to fit your vanity, this cabinet is the perfect solution for having a unified, modern look in your bathroom space.

Fitted with Hettich Soft Close Hinges, the doors open and shut silently and smoothly and the cabinet can be used for the long-term without any trouble. The cabinet is water- and stain-resistant, protecting against bathroom moisture and spills of everyday use. Easy clean design is easy to clean so that the cabinet is in new condition, and board that is moisture-resistant makes the cabinet robust over the long term.

New Zealand made and designed, this is a cabinet that is built to the best levels of construction and environmental sustainability. Made from primarily sustainably raised New Zealand plantation pine plantations and sporting the exclusive Environmental Choice Certification, it minimizes its environmental impact on manufacture.

Having a 5-year guarantee and life-long guarantee on all Hettich parts, this mirror cabinet reassures in the knowledge you're purchasing an extremely durable and long-lasting item. If replacing your bathroom or starting from ground zero, this 1500 Mirror Cabinet represents the ideal amalgamation of elegance, strength, and functionality that comes with a dose of flair, as you both store items and bring something sleek to the ambiance.
