The Elementi Garda Vessel Basin (360 x 360 x 120mm) is a very flexible and modern bathroom fixture, offering a clean, modern round style that will complement a gigantic range of design schemes. Gloss white and matt white models are both available, so it is easy to incorporate into a wide range of bathroom schemes, from minimalistic to more traditional environments, so it will be ideal for domestic and light commercial applications.

Hand-finished vitreous china provides the Garda basin with strength and durability, coupled with beauty. The vitreous china used is smooth, glossy, easy to clean, and stain-proof. With a light but solid weight of 7.4kg, it offers ease of installation without losing out on quality.

The Elementi Garda Vessel Basin is perfectly suited for kitchen, bathroom, and laundry room installation. It will have use in residential domestic usage as well as light commercial usage such as hotels, motels, and retirement villages. Its crisp lines and heavy-duty construction make it a practical and attractive solution to any application.

With its 5-year guarantee, the Garda Vessel Basin provides peace of mind, delivering long-lasting performance and reliability. Its universal style, coupled with the finest level of craftsmanship, means it will be a timeless addition to any bathroom setting.
