The Elementi Round Wall Shower Arm 400mm is the ultimate combination of style and functionality designed to offer that added dash of luxury and sophistication in your bathroom shower. With its five stunning finishes — chrome, brushed nickel, brushed brass, gunmetal, and black — the shower arm is easily matched with bathroom decors in different styles and designs, adding a dash of style to classic and modern as well.

Long-lasting, the Elementi Round Wall Shower Arm is made of long-lasting materials that offer long-lasting performance even in bathrooms with heavy traffic. With 400mm length to the extent of maximum reach, it offers the optimal shower experience at ease. Whether harsh shower spray or soft cascade, this shower arm offers a comfortable and durable shower every time.

Simple to fit and adjustable for the majority of showerheads, the Elementi Round Wall Shower Arm 400mm is perfect for giving your bathroom a contemporary, minimalist look through its thin, rounded shape. Its high-quality finishes not only give your bathroom a better look, but they also resist corrosion and tarnishing, meaning your shower arm will look great for years to come.

Most suitable for light commercial and residential spaces, this phenomenal shower arm is the epitome luxury upgrade solution for luxury master bathroom remodels, high-end hotel suites, and spa bathrooms. With its ginormous array of possible finishes and straightforward functionality, Elementi Round Wall Shower Arm 400mm is the epitome luxurious accents for bathroom remodels of modern style.
