Universal Wall Elbow Female by Elementi is the perfect solution to connect your shower hose to the water supply in domestic and light commercial applications. Equipping your bathroom or laundry, this wall elbow offers practical versatility with a range of uses and is perfectly suited to domestic dwellings, hotels, motels, and retirement villages.

Engineered for precision, the Universal Wall Elbow Female is constructed with high-quality plating technology for a flawless finish. It comes in five gorgeous finishes—Chrome, Brushed Nickel, Brushed Brass, Gun Metal, and Black—that will fit various bathroom styles, from modern to industrial, and will match your already fitted fixtures.

This wall elbow features a female thread, a very reliable and safe fitting for your water systems. Constructed of high-quality materials, this elbow will not degrade in durability and smooth operation over time, offering residential and light commercial application.

The Elementi Universal Wall Elbow Female is perfect for installations where you desire reliability and a modern, elegant look. With its 1-year guarantee, you can trust that this product will provide years of fault-free service.

Appropriate for various environments and offering both beauty and function, the Elementi Universal Wall Elbow is a necessary accessory for any well-designed bathroom.
