	Flawless Finish	Advanced plating provides a durable surface with a long lasting finish

Elementi Dual Check Wall Elbow for Shower is the best of style, functionality, and safety. Its sleek and modern design will blend perfectly with any modern bathroom, making your shower installation both safe and efficient. Chrome, brushed nickel, and black finishes are available, which will ensure stylish options suit most bathroom designs, ranging from a modern sleek look to the more conventional look.

This wall elbow has double check valves, which provide extra protection against water backflow. This maintains your fresh water supply clean and free of filth, so that it is hygienic and clean, hence a must-have in your bathroom or business premises for hygiene.

The Flawless Finish of the Elementi Dual Check Wall Elbow is the result of advanced plating technology, a tough wear-and-tear resistant finish that will remain looking great for years to come. Ideal for residential and light commercial use, such as home bathrooms, kitchens, hotel, motel, and retirement village bathrooms and laundries, this wall elbow is ideal for the home bathroom renovation or commercial fit-out.

Backed by a 1-year warranty, you can count on the Elementi Dual Check Wall Elbow for Shower to deliver peace of mind, as well as durability. Upgrade your shower system with this essential, reliable, and stylish addition that delivers long-lasting performance and safety.
