B2.3.1 Durability

The Cotto Semi Pedestal Gloss White sink is state-of-the-art and modern design, providing an unequalled experience. Not only does the sink look beautiful, with Cotto's new UltraClean+ technology, but it's a joy to use. Not only is UltraClean+ easy to clean and stain-resistant, but it will deliver long-term beauty with almost no effort whatsoever. This advanced gadget also sterilizes the bacteria and hardens the ceramic to make the surface cleaner and easy to clean with a 99% self-annihilation rate within 24 hours.

Made of CottoCeram, a technologically advanced clay technology, this semi pedestal basin features an anti-crazing finish that provides durability regardless of exposure to cold or warm water. The hand-finished vitreous china construction also adds to the elegance and durability of the basin, making it an excellent option for installation into any contemporary bathroom.

Designed to be at ease in your bathroom, the Cotto Semi Pedestal basin is a fusion of minimalist modern design and practicality. Gloss white with clean lines, it's an ageless beauty that will suit a variety of bathroom interiors.

With its 10-year warranty, the Cotto Semi Pedestal Gloss White is designed to last and be a functional and efficient solution that will stay in your functional and pretty space for years to come. The basin also has a VC tolerance of 10mm (+/-) for each vitreous china basin size to fit to perfection.

An excellent choice for an individual who needs a strong, hygienic, and stunning solution, the Cotto Semi Pedestal Gloss White basin is perfect.
