The Elementi Savon Mains Pressure 35mm Cartridge Shower Mixer is a stylish and functional bathroom accessory that offers style and functionality. The smooth flat rounded levers and smooth lines make the Savon range able to be given a classic appearance that will suit most bathroom decor. Available in chrome, brushed nickel, gunmetal, and black finishes, this shower mixer will look fantastic in contemporary and traditional homes so your bathroom never looks out of fashion at an affordable price.

Mains pressure compliant, the Savon shower mixer provides low-pressure water flow, ideal for home and light commercial use, including kitchens, bathrooms, and laundry in hotels, motels, and retirement villages. Smooth control is provided with the 35mm cartridge technology, which provides a wide operating angle and simple adjustment for the perfect water temperature at all times.

The ideal finish is achieved through the advanced plating technology, which ensures a wear-resistant and long-lasting finish. It comes with a 5-year color finish guarantee and 10-year warranty of chrome to guarantee performance and durability of the mixer. The Savon mixer is also compliant with Building Code Regulation, including BPIR B2.3.1 and G12 Water Supplies, to ensure reliability and quality.

Pair the Savon Mains Pressure 35mm Cartridge Shower Mixer with your bathroom for streamlined, modern style with long-lasting performance and excellent value.
