The Elementi Due [dù-e] Bath Spout 200mm is a stylish and durable addition to any bathroom or outdoor space. Made from premium grade 316 stainless steel, it's designed to stand the test of time. This material is highly resistant to corrosion, making it perfect for both indoor and outdoor use. Whether you're updating your bathroom or enhancing your outdoor shower area, this spout provides both elegance and practicality.

Its sleek, contemporary design blends seamlessly with modern bathroom aesthetics. But it's not just about looks—the Due Bath Spout is built for performance. It features intelligent valve technology for smooth, consistent water flow, tailored specifically for New Zealand conditions. It's also suitable for mains pressure systems, offering a reliable and strong flow every time.

What's more, it's lead-free, meeting international safety standards, so you can feel good about your choice. The flawless finish, achieved through advanced plating, ensures a long-lasting surface that's easy to maintain.

The spout's advanced cartridge technology allows for effortless control, with a wide range of motion that makes it easy to adjust water flow. Whether you're installing it indoors or outdoors, the Elementi Due Bath Spout 200mm delivers both functionality and style.

With a 10-year guarantee, you can trust that this bath spout will keep delivering reliable performance and a sleek look for years to come.
