The Elementi Lente 2 tap hole Progressive Deck Mounted Basin Mixer is a beautifully designed and functional addition to any bathroom. Inspired by the elegant shape and texture of a camera lens, this mixer brings a modern touch to your space. It's available in five finishes—Chrome, Brushed Nickel, Brushed Brass, Gun Metal, and Black—so it's easy to find the perfect match for your bathroom style.

One of the standout features of the Lente mixer is its Intelligent Valve Technology (IVT). This allows you to adjust the water temperature with just one smooth turn, making it easy to find the perfect setting. The 25mm progressive cartridge ensures precise control, providing a reliable and comfortable experience each time.

This mixer is designed for both residential and light commercial use, making it ideal for bathrooms, kitchens, and laundries in homes, hotels, motels, and retirement villages. It has a 6-star WELS rating (4.5L/min), meaning it's efficient in water use while still offering great performance. Made from lead-free brass, it meets international safety standards, making it a safe choice for your home or business.

The Lente mixer is built to last. It comes with a 10-year guarantee, and its advanced plating provides a durable, flawless finish that will stand up to daily use. It also complies with local building codes, ensuring it's as reliable as it is stylish.

If you want a modern, efficient, and durable mixer, the Elementi Lente 2TH Progressive Deck Mounted Basin Mixer is the perfect choice.
