The Elementi Pettine Acrylic Freestanding Bath combines dramatic looks and ultimate performance levels, the fluted scallop the epitome of stylish accents for a bathroom. Sophisticated yet understated styling is provided by this freestanding bath, whose acrylic high-gloss finish provides the ultimate in relaxing, deep soaking.

Constructed from high-quality DuPont American acrylic, Pettine bath will last for years of beauty and durability. Acrylic provides superior resistance to fading, scratches, and stains and is therefore an excellent choice for use in bathroom fixtures. Its rigidity makes the Pettine bath not only beautiful but also strong enough to withstand the everyday use it will receive.

This independent bath is ideal for residential and light business usage, including hotel, motel, and retirement village bathroom bathrooms. 350kg tested weight, it is strong and solid for a safe and secure bathing experience. Add style and comfort to your own home bathroom or business establishment with the Pettine bath.

Backed by a 5-year warranty, this bath is designed to last and offers quality and durability that will give you confidence in your buy. Its fashionable design and sturdy build also make it the perfect solution for those who are seeking a fashionable, high-quality bathroom solution.

Upgrade your bathroom with the Elementi Pettine Acrylic Freestanding Bath, which is a showstopper that offers fashion, functionality, and power all under one umbrella.
