The Elementi Quick Shower Foot Rest is a simple yet practical addition to your bathroom that brings both style and comfort to your shower routine. Whether you're giving your shower a quick upgrade or looking for a functional solution, this footrest delivers both style and convenience.

Available in classic black or white, it blends effortlessly with any bathroom decor. Its clean, minimalist design makes it versatile enough to suit various bathroom styles, from modern to more traditional designs.

One of the standout features of the Quick Shower Foot Rest is its dual fixings. With two attachment points, it ensures extra stability and strength, keeping the footrest securely in place even in your shower's humid, high-moisture environment. This added security reduces the risk of the footrest loosening or shifting, giving you peace of mind as you use it.

Having a footrest in the shower can make everyday tasks much more manageable. Whether you're shaving your legs, washing your feet, or simply need extra support while you wash, this footrest makes it all a bit easier. It also reduces strain on your legs and back, letting you enjoy a more comfortable shower experience. For those with mobility challenges, it provides a safer, more stable shower environment, helping to improve both comfort and safety.

Made and engineered in Spain, this footrest is built to last and is covered by a 5-year guarantee. It's perfect for both residential use and light commercial spaces, like hotels, motels, or retirement villages.

Part of Robertson Bathware's extensive collection of bathroom accessories, the Elementi Quick Shower Foot Rest combines practicality and modern design, making your shower time more comfortable and enjoyable.
