BPIR - Scope of use

Wall basins are primarily used in bathrooms and washrooms for handwashing and personal hygiene, offering a space-saving solution ideal for residential, commercial, and public restrooms where floor space is limited.

BPIR - B2.3.1
Durability

This product complies with Building Code Regulation B2.3.1 Durability

Elementi BARE concrete combine warm pastel colours with the natural harsh elements of concrete to create a focal point in any bathroom. Each piece is handcrafted and distinctively designed to embrace the natural properties of concrete. Custom colours are available upon request with a four week manufacturing time.
