Cementitious
Composites (EEC)

EEC is a unique type of concrete known for its tensile strain-hardening behaviour and tensile ductility contrasting, making it a significant improvement on ordinary & glass fibre reinforced concrete.

Made in New
Zealand

Designed & Engineered in New Zealand

Elementi BARE concrete combine warm pastel colours with the natural harsh elements of concrete to create a focal point in any bathroom. Each piece is handcrafted and distinctively designed to embrace the natural properties of concrete. Custom colours are available upon request with a four week manufacturing time.
