apaiserMARBLE®

apaiserMARBLE is a luxurious high performing marble, enriched with the purity of Australian minerals and is made from up to 90% reclaimed marble.

Hand Crafted

Every piece of apaiser bathware is created by a team of highly experienced master craftsmen, who have perfected their trade over many years.

Exceptional Thermal Properties

While retaining the sensual touch and luxurious feel of marble, apaiserMARBLE material delivers optimum strength, performance and is warm to touch with excellent heat retention.

Safe and Natural

apaiser bathware pieces contain minimal man-made ingredients, are non-toxic with no added silica and free from aluminum trihydrate (ATH), so you can enjoy a guilt-free soak in a beautiful, sustainable bath.

Lighter than Natural Stone

apaiserMARBLE is lighter than natural stone, while still delivering high performance and increased strength.

Natural Slip Resistance

The reclaimed materials that make up apaiserMARBLE give the final products a natural slip resistance while maintaining the luxurious feel of marble.

The Soka Grand marble bath celebrates the fusion of ancient bathing rituals with perfect form and function in an exploration of clean, rigorous lines and ergonomics. The Grand marble bath showcases a practical shallow tray with separate storage compartments, while a fine etched rim conveys subtle attention to detail.

Also available in a Petit Bath, the Soka Collection features a shower base, single and double vanities, a powder vanity and countertop basin, all handcrafted from apaiserMARBLE®.
