apaiser

	apaiserMARBLE®	apaiserMARBLE is a luxurious high performing marble, enriched with the purity of Australian minerals and is made from up to 90% reclaimed marble.
	Hand Crafted	Every piece of apaiser bathware is created by a team of highly experienced master craftsmen, who have perfected their trade over many years.
	Exceptional Thermal Properties	While retaining the sensual touch and luxurious feel of marble, apaiserMARBLE material delivers optimum strength, performance and is warm to touch with excellent heat retention.
	Safe and Natural	apaiser bathware pieces contain minimal man-made ingredients, are non-toxic with no added silica and free from aluminum trihydrate (ATH), so you can enjoy a guilt-free soak in a beautiful, sustainable bath.
	Lighter than Natural Stone	apaiserMARBLE is lighter than natural stone, while still delivering high performance and increased strength.
	Natural Slip Resistance	The reclaimed materials that make up apaiserMARBLE give the final products a natural slip resistance while maintaining the luxurious feel of marble.

The Sublime Petit marble basin has a bold design with a lower profile, befitting a bench mounted solution. Designed by the apaier Studio to complement the Sublime Bath, this marble basin is gently structured with soft curves for a contemporary aesthetic.

Embrace this luxurious tailored expression of geometrics style. Sublime celebrates contemporary design with this inspiring collection of stone baths and basins, offering both integrated and freestanding options. Soft clean lines, available in a range of finishes and colours for a perfectly proportioned bathroom space.
