Give your bathroom a touch of sophistication with the Flaminia Miniwash Undermount Basin, a stylish addition to contemporary bathrooms. Part of the Miniwash Collection, this basin features clean geometry combined with curved edges, softening the sharper square or rectangle to produce a stunning, contemporary look. Measuring 480x360x120mm, it's a versatile size that will suit small and large bathroom designs equally well.

Designed by the world-famous Giulio Cappellini, the Miniwash basin features a clean minimalist style with slimmer ceramic, which enhances its look without lessening strength. Outside glazing makes installation easy, adding to the functionality of the basin for undermount installation and offering a high-gloss appearance that blends with your bathroom countertop.

Crafted with Ceramics of Italy – a promise of high-quality design and Italian craftsmanship – this basin guarantees a high-quality product that is the finest of Italian craftsmanship. With multiple colors available, it provides you with the versatility to personalize your bathroom look to suit any environment. Whether you're constructing a modern home, a sophisticated business facility, or remodeling your bathroom, the Miniwash Undermount Basin offers beauty and functionality.

This basin is backed by a 10-year guarantee, ensuring you its quality and reliability for years to come. Choose the Flaminia Miniwash Undermount Basin for a sophisticated, Italian-style finish to your bathroom.
