The Parisi Twin Button Set on Metal Plate for Cable Inwall Cisterns offers a fashionable, modern solution to your bathroom need. Available in chrome, brushed nickel, brushed gold, and gun metal finishes, the button set offers the perfect combination of style and functionality, suitable to fit any contemporary bathroom arrangement.

Made of high-quality, long-lasting materials, the Twin Button Set is designed to withstand the rigors of daily use and wear. The metal plate not only adds an extra touch of premium finish but also adds to its strength and vandal resistance. The flush, tight fit design gives a solid, secure mount that exactly complements your wall-mounted cistern, and the two-button mechanism provides complete flushing control.

One of the most prominent features of this product is its easy servicing capability. The unique design of the button set includes a special key to release the plate from the mounting bracket, allowing easy access to service or repair the concealed cistern components without complex dismantling.

Ideal for residential and light commercial use, the Parisi Twin Button Set is suitable for kitchen, bathroom, and laundry installations in homes, hotels, motels, and retirement villages. Backed by a 5-year warranty, this product provides peace of mind and long-term performance.

Size: 232 x 148 x 66mm.
