Water Supplies

This product complies with Building Code Regulation  
G12.3.7 G12 Water Supplies

Reassuring and essential, the award-winning Brim collection stands out for its compact design that uses a single lexicon to elaborate two different shapes, the circle and the square. Designed by Ludovica + Roberto Palomba Brim is the synthesis of an industrial design project that began with the Soft mixer and has evolved according to ever-modern cannons, managing to tune opposing geometrics to achieve perfect shapes.
